The Department encourages any youth that is interested in the Natural Resources Commission Youth Conservation Council to apply. We are interested in all points of view in how the Department can promote greater youth involvement in natural resource conservation and outdoor recreation activities including fishing and hunting.

*If selected to serve as a member of the Natural Resources Commission Youth Conservation Council, I agree to attend the four schedule meetings (two face to face, two teleconference), read information provided to me on natural resources issues and participate in the discussions and recommendations made to the Natural Resources Commission.*
