To convert feet to meters multiply by 0.3048

Warning: This map is for informational purposes only. User assumes total responsibility and risk associated with using this map. Natural and cultural features may have changed since this map was prepared. Always consult park personnel for the latest information on park trails, facilities and natural features.

This map was developed from data sources of differing accuracy and data based on modeling or interpretation. Topography and other physical features on this map were interpreted from these USGS topographic maps: Tiebel Creek 1980, Carp River 1980, Aldridge Creek 1981, Government Peak 1981, Bergland NE 1975, and White Pine 1956. Use these USGS maps for off-trail travel or when greater accuracy and detail is required.

All elevations in meters. Depth curves in meters, datum is low water 182.9 meters.

Hydrographic data is not intended for navigational purposes. There are private inholdings within the boundaries of the National and State reservations shown on this map.
