

## **EXPLORE YOUR WILD GUIDE**

*To help teachers learn how to use the Project WILD guide*

1. What is Project WILD's Mission?
2. List the 3 divisions of the Project WILD Guide.
3. What do you multiply square miles by to get square kilometers?
4. In "A Guide to the Ecosystem Concept" the word pond is used to refer to...?
5. What are the objectives of For Your Eyes Only?
6. What three forms of evaluation were used for Project WILD?
7. Identify an activity addressing biodiversity.
8. Locate an activity that has the following attributes: Grade= 5-8, Setting=Outdoors, Subject Areas-Science, Math, Environmental Education and Expressive Arts.
9. Name one of the approaches to environmental action as listed in the Taking Action section of the guide.
10. For the activity Saturday Morning Wildlife Watching on page 184, list the corresponding Conceptual Framework Topic References, and on which page they can be found. What does CP stand for?
