1732 WEST M-32  
GAYLORD MI 49735**

# NATURAL RIVER PROGRAM SITE PLAN SAMPLE, CHECKLIST AND REQUIREMENTS

A site plan shall be filed with this application giving accurate dimensions and containing the following:

- Property dimensions, including river frontage.
- Size (including gross floor area that includes finished basements and screened/enclosed porches), shape, use and location of existing and proposed structures of any kind including distances to property lines and the river's edge.
- Existing vegetation, including the location and type.
- Adjacent streets and highways.
- Driveways and parking areas.
- Location/description of existing/proposed waste treatment facilities and water well, including distances to the river's edge.
- Landscaping, including any existing or proposed landscape structures such as retaining walls.
- Location of footpaths, stairways, or docks.
- North arrow.
- Date of drawing.
- Brief description of building design and materials (i.e. single story cabin, natural wood siding).
- Drainage facilities, if any.
- Cross-section drawing showing height of building site above river level.
- Existing and proposed river side building elevations (drawing of buildings as seen from the river).
- Detailed site location map (use separate sheet if needed).

**Please stake the corners of all proposed structures upon submission of application for permit.**
