1. If you are not stocking any fish back into a Michigan waterway due to fish die off, please explain the probable cause (i.e., bacteria, chemical levels in the water, equipment failure, or no obvious cause, etc.):

2. Are you planning to participate in the Salmon in the Classroom program again next year? **Answering “Yes” here qualifies as your renewal request and you need not reapply for a SIC Permit for 2016/2017**

Yes No Uncertain at this time

3. If your answer is “Yes”, are there any changes to the previous permit? I.E., name of school, school address and/or phone number, e-mail contact information, teacher change, etc.

4. How many students participated in your SIC program this year? Participation is defined as students who followed all or part of the curriculum over a length of time, not just walked by the aquarium to see it once:

5. Student grade level:

6. How many hours each week were spent using the SIC curriculum?

7. What benefits did you or your students gather from participating in the program?
