Dear Senators Casperson and Green and Representatives LaFontaine and Bumstead:

Pursuant to Section 1907a(1) of PA 451 of 1994, as amended, the Department of Natural Resources (DNR) is required to prepare a bimonthly report on the status of property that has yet to be acquired or developed in the manner approved by the Michigan Natural Resources Trust Fund (MNRTF) Board and is not open to public use within two years after spending authorization is provided by the Legislature. A MNRTF project status report for the month ending November 30, 2014 is currently available on the DNR website. The report can be accessed via the following link: http://michigan.gov/dnr/0,4570,7-153-58225_58301---,00.html.

A link to the current report dated December 3, 2014 is provided within the Resource section of the web page along with links to past MNRTF project status reports. As required by statute, the DNR will post updated MNRTF project status reports to this web page on a bimonthly basis throughout Fiscal Year 2014-15.

If you have any questions, please feel free to contact me.

Sincerely,

Sharon M. Schafer, Chief
Finance and Operations Division
