Dear Senator Green and Representative Bumstead:

Pursuant to Section 503, PA 252, of 2014, the Department of Natural Resources (DNR) is required to submit a report on efforts undertaken to enforce the feral swine invasive species order.

The Invasive Species Order Amendment #1 of 2011 (ISO) added *Sus scrofa* Linnaeus to the prohibited species list in Michigan per the Natural Resources and Environmental Protection Act, 1994 PA 451, Part 413.

The DNR is currently in litigation with five swine facility owners. These cases are ongoing. Two cases were resolved, and one new case was filed against the state in fiscal year (FY) 2013-14.

The DNR spent approximately \$51,100 in FY 2013-14 on efforts to enforce the ISO. All expenditures were paid out of General Fund.

If you have any questions, please feel free to contact me.

Sincerely,

Sharon M. Schafer, Chief
Finance and Operations Division
