Dear Senators Green and Casperson, Representatives Bumstead and LaFontaine, and
Chairman Matonich:

In compliance with Section 43540e(8), PA 451 of 1994, the Wolf Management Advisory
Council (Council) is required to provide an annual report on recommendations
concerning wolf management in Michigan. The Council met on March 9, 2015. The
Council reviewed and supported updates to the Michigan Wolf Management Plan. No
further action was taken due to the federal listing of wolves as endangered, which
supersedes state management authority.

If you have questions regarding this report, please feel free to contact me.

Sincerely,

Sharon M. Schafer, Chief
Finance and Operations
