

Jim Trinklein, founder and president of Michigan Association of Gamebird Breeders and Hunting Preserves. Graduated from Tawas Area High School in 1964. Retired from General Motors, Saginaw Steering Gear Division in 1995, after thirty years of service as an Induction Process Equipment operator. Married to wife Terri for 41 years and have adult two sons and three grandchildren.

The Michigan Association of Gamebird Breeder and Hunting Preserves was formed in 1990 to promote and protect the pen-reared gamebird industry of Michigan. We have about one-hundred due paying members, made up of professional gamebird producers and gamebird hunting preserve operators. The association includes advisors from DNR and MSU. We work close with DNR, MSU, MFB, MDA and North American Gamebird Association (our national assoc.) Michigan Association of Gamebird Breeders and Hunting Preserve is a 501C-4 non-profit organization and affiliated with MUCC.
