

Tuscola County

Tuscola Conservation District – 1075 Cleaver Road, Caro, Michigan 48723-1166

Contact: <http://www.tuscolacd.com/> or phone **(989) 673-8174 Ext. 3**

Offers different environmental education programs including classroom presentations and presentations to civic groups often using a groundwater flow model or an interactive stormwater Enviroscope model. They are willing to design a presentation on an environmental topic of your choosing as well. Please contact the Tuscola Conservation District directly for current information on educational programming and events.
