

Michigan DNR Wildlife Division **Wildlife Outreach Programs**

If you have a community group, summer camp, scout group, afterschool, day care, headstart or other type of group that is looking for a wildlife program, these are for you!

All programs are free of charge and presented by wildlife staff. **A minimum group size of 20 is required.** Programs are subject to staff availability.

Osprey in Michigan

Learn all about the Osprey and their remarkable comeback in southern Michigan and what biologists are doing to study them.

3rd grade and up

Michigan's Wildlife

A great introduction to some of the wildlife species found in Michigan! Including example artifacts for participants to experience firsthand.

Any age

Wildlife Tracks

Your group will learn tips and tricks of track identification and for longer sessions mold plaster cast to keep!

Any age

Wild Turkeys

Hear the story of the comeback of the wild turkey in Michigan and how these unique birds are managed.

3rd grade and up

Living with Coyotes

Learn all about this resourceful species and how to co-exist with them.

Adult

Critters in the Garden

This presentation will highlight some animals commonly considered by humans as pests or nuisances and what you can do to keep them out of your garden or yard.

Adult

Deer Aging

Try your hand at aging deer and learn about deer and deer management.

9th grade and up

Bats!

Are you afraid of bats? We'll dispel the myths as you hear all about Michigan's bats!

Any Age

If you are planning to host a large event or trade show and would like a DNR Wildlife Division staff member present at a booth or station to interact with your guests, please contact us with your event theme and what kind of information your guests may be looking for.

Exhibits may feature wetland habitat, wetland species and management or upland/forest habitat with information about hunting, trapping, and wildlife management. Exhibits may also feature pelts, skulls, or mounted wildlife.
