

## Carl T. Johnson Hunting and Fishing Center

[www.michigan.gov/huntfishcenter](http://www.michigan.gov/huntfishcenter)

### Predator Hunting Clinic

January 19: Students will learn blind placement, calling, gear, and habitat. Please call ahead and register for the class. Seating is limited and will be given first come first served basis.

### Steelhead Clinic

March 16 & 17 and 23 & 24: Students will learn all they need to know about catching a Michigan steelhead. You will learn about gear, techniques, and habitat. The first day is all in the classroom, the second day we take you out on the river to try are luck with a DNR Interpretive guide. You must register prior to attending; seating is limited.

### Turkey Hunting Workshop

(April) Students will learn what gear to use, how to call, setups and habitat. Students must contact the Hunt & Fish Center to pre-register.

### Day on the Canal

June 22: Mitchell State Park celebration of the canal. We will have cardboard boat races and craft show.

### Bear Hunting Clinics

August 4 & 18: Students will learn the ends and outs with experienced bear hunters. The class will cover habitat, gear, stand placement, baiting, rules & regulations, and carcass care. We will spend about 4 hours in the classroom, then hit the trail to physically show you how to place a stand and bait.

### Hunter Safety & Bow Hunter Safety Dates

April 6 | August 18 & 24  
September 7 & 21 | October 12

### Fall Salmon Clinics (October) we take you fishing

September 28 & 29 and October 5 & 6: Students will learn about gear, techniques, and habitat. The first day is all in the class room the second day we take you out on the river to try are luck with a DNR Interpretive guide. You must register prior to attending seating is limited
