

## Deer Hunting Seasons

Deer hunting season dates and regulations can be found in the 2020 Hunting Digest available at [Michigan.gov/DNRDigests](http://Michigan.gov/DNRDigests) or by visiting [Michigan.gov/Deer](http://Michigan.gov/Deer).

## Antlerless Deer Hunting

Antlerless deer (deer with antlers less than three inches in length) may be harvested using an antlerless deer license.

**Antlerless deer licenses are valid during all deer seasons in zones 2 and 3, and in limited deer management units in zone 1, with hunting equipment and licenses appropriate for the season, hunting zone, and land type. See 2020 Hunting Digest for details.**

## Early and Late Antlerless Firearm Season

Hunters must possess a private-land antlerless deer license issued, for the Deer Management Unit (DMU) upon which they are hunting, or a Deer Management Assistance (DMA) permit valid for that DMU. A deer kill tag issued under the mentored youth license must be used to harvest an antlerless deer during the antlerless-only seasons.

All hunters are required to wear hunter orange and must have permission from the landowner or leaseholder before hunting on private land. The telephone number of the private landowner is required to acquire a private-land antlerless deer license.

Please see the 2020 Hunting Digest for other regulations regarding the early and late antlerless seasons.

## 2020 Deer Management Units (DMUs)

### Antlerless Deer Licenses

An antlerless deer license entitles residents and nonresidents to take an antlerless deer within the deer management unit (DMU) specified on the license. Hunters of any age may apply for or purchase antlerless deer licenses, including young hunters licensed under the mentored youth program.

License availability is limited by antlerless deer license quotas established for each DMU. **Hunters may apply for one quota-limited license through the drawing or purchase remaining licenses after the drawing.** Quotas and previous-year drawing statistics are available at [Michigan.gov/Deer](http://Michigan.gov/Deer).

There are two types of antlerless deer hunting licenses:

1. A **public-land antlerless deer license** is valid for taking antlerless deer from public lands (including state, federal, and county lands) and required to hunt Commercial Forest lands (see current-year *Hunting Digest* for more details about hunting on Commercial Forest lands).
  - Public-land hunt numbers begin with “1”. Example: To buy a public land license for DMU 038, purchase hunt number 1038.
2. A **private-land antlerless deer license** is valid for taking antlerless deer from privately owned lands, with permission of the landowner. The phone number of the landowner is required.
  - Private-land hunt numbers begin with “2”. Example: To buy a private land license for DMU 038, purchase hunt number 2038.
  - When purchasing a private-land antlerless deer license for use on Hunter Access Program (HAP) lands only, use phone number 999-999-9999.

### Junior Antlerless Deer License

Hunters who are 16 years of age or younger may purchase one junior antlerless deer license without application from July 15 – August 15.

**Junior antlerless deer licenses are not subject to license quotas but are only available in DMUs where regular antlerless licenses are available.**

Youth hunters may also apply for one regular limited-quota antlerless deer license.

| License Type            | Base License | Application for License | Mentored Youth License | Cost                     |

*\* Nonresidents under 17 years of age may purchase a resident base license.*

**Active-Duty U.S. Military Personnel and Michigan Veterans with Disabilities**  
Resident active-duty military personnel and resident veterans with disabilities may obtain a leftover antlerless deer license free of charge beginning Sept. 9 at 10 a.m. EDT. Licenses are full-price for those who apply for a license and are selected in the drawing.

Antlerless deer licenses are discounted 40% in DMUs 452 and 487.

Applications and licenses may be purchased at any license agent, DNR Customer Service Center, or online at [mdnr-eligence.com](http://mdnr-eligence.com). You will need one of the following forms of customer identification:

- Valid Michigan driver’s license or valid nonresident driver’s license.
- State of Michigan ID card (issued by the Secretary of State).

DNR Sportcard (issued through license agents or at [Michigan.gov/DNRLicenses](http://Michigan.gov/DNRLicenses)).

Purchase of a license certifies that you meet applicable residency and hunter-safety requirements. Licenses may not be altered or transferred. When hunting, you must carry your antlerless deer license and ID used to purchase that license, and present both upon demand of a Michigan conservation officer, a tribal conservation officer, or any law enforcement officer.

### Leftover Licenses

All remaining antlerless deer licenses will be sold on a first-come, first-served basis beginning Sept. 8 at 10 a.m. Eastern Daylight Time. This includes quota-limited licenses that remain after the drawing as well as licenses for DMUs with unlimited antlerless deer licenses. There is no guarantee that leftover licenses will be available for any DMU. Leftover licenses will be sold until license quotas are met in each DMU. Current leftover license availability may be viewed at [Michigan.gov/Deer](http://Michigan.gov/Deer).

### Base License

A base license is required for every resident and nonresident who hunts in Michigan. Hunters may purchase their antlerless deer license, only after they have obtained a base license for the year. **An application may be purchased prior to obtaining a base license.** Mentored Youths must be licensed under the mentored youth hunting program to apply. Hunters are encouraged to carry their base license at all times when hunting.
