

Threatened & Endangered Species Week

Wednesday August 6

Michigan Turtles, 11am @ the Visitor Center

Join us to learn about Michigan's turtles and which one are T&E. We will have some live turtles to show you.

Daily programs at 1pm and 3pm can be found at www.michigan.gov/huntfishcenter

Thursday August 7

Where did all the Raptors go? , 11am @ the Visitor Center

Meet at the CTJ hunting and fishing center and learn about Michigan's Raptors and birds that visit the feeder outside the classroom. You might just get to see something you need on your check list.

Friday August 8

Going batty? 11am @ the Visitor Center

Learn about Michigan's bats & what is threatening the bat population and a couple of local places you can view them as the sunsets.

Saturday August 9

No T&E programs we will be offering our annual Bear Hunting Clinic. Reservations are required to attend.

Sunday August 10

No T&E programs we will be offering our annual Bear Hunting Clinic. Reservations are required to attend.
