

STOP THE INVASIVES

State Park Explorer Program
Holly Recreation Area

Invasive Species Education Week: August 3 – 9

Thursday, August 6th

5:00 – 8:00pm: Explorer Courtney will be at the Fenton Farmers Market today! We'll embark on a river walk to investigate the Shiawassee's inhabitants and learn how to keep our waterways healthy. Information about invasive species and how you can help slow the spread. River walks will leave from the Explorer table at site 16 every 25 minutes.

The Fenton Farmers Market is located in downtown Fenton at River St. and East Caroline St., beside the Community Center.

Friday August 7th

8:00pm: What Would We Do Without Wood?!

Join Explorer Courtney to mull over the trials Michigan trees are facing! Try out some old fashioned wooden toys, create a leaf rub booklet, first-timer campfire building, and have a look at the Emerald Ash Borer.

Meet at Program Shelter

Sunday August 9th

10:00am: Web of Life!

Let's untangle the strands that bind Holly Rec's ecosystem. We have lots of games to help us see what impact invasive species has on our great state.
