

STOP THE INVASIVES

State Park Explorer Program
Maybury State Park

Invasive Species Education Week: August 3 – 9

All programs will meet at the Concession Building.

Tuesday, August 4th

2pm: Alien Invasion

Explore the world of invasive species and play a fun invasive species game!

Wednesday, August 5th

11am: Native Scat

Check out the native animal scat found in Maybury and make your own animal tracking guide!

2:30pm: Unfair Competition

Will you be able to out-compete the native animals in this fun game that makes you think like an invasive!

Thursday, August 6th

12pm: Gone Batty

Take a closer look at the only mammal that is able to truly fly and learn about the invasive fungus that's affecting them.
