

# Tawas Point Brick Program

## - Lighthouse Memory Walkway -

The steps walked 100 years ago will be preserved by the steps taken today.

With every brick purchased we are able to continue restoring and maintaining the Tawas Point Lighthouse and are able to provide more interaction between our guests and our past.

The Memory Walkway begins at the flagpole, leads up to the Lighthouse Store and then continues along the sidewalk to the Oil House and around the Lighthouse.

Purchased bricks may take up to eight weeks to be received at the park. Brick placement within the walkway is at the discretion of the park staff. If you have questions, please call (989) 362-5658.
