

# **STOP THE INVASIVES**

State Park Explorer Program  
North Higgins Lake State Park

## **Invasive Species Education Week: August 3 – 9**

### **Thursday, August 6<sup>th</sup>**

#### **2pm: Incredible Insects**

We will study what an insect is and what is not. We will talk about some invasive insects that are affecting our forests. We will also go on an insect safari, and make a cool craft!

**Meet at the Beach Pavilion**

### **Friday, August 7<sup>th</sup>**

#### **2pm: Alien Invaders in the Woods!**

Come take a short walk down the trail and see if you can discover what shouldn't be there! You will also get to be creative in a fun filled craft!

**Meet at the Beach Pavilion**

#### **4pm: Something's Fishy!**

Come learn about the different kinds of fish in our lake and how to cast. We will also talk about invasive species that are in our lakes!

**Meet at Beach Pavilion**
