Designated trout streams:

All Type 1, all Type 2, and all Gear Restricted Streams are designated trout streams. Some Type 3 and some Type 4 streams are designated trout streams as indicated in FO-210. FO-210 is available at any operation service center or online (www.michigan.gov/dnrfishing).

General regulations for streams not classified by Type: 1-4 (listed above) or Gear Restricted Streams (listed on p. 24-25).

Except for streams in the Michigan-Wisconsin Boundary Waters, any other inland stream not classified by Type is open for the entire year with an 8-inch minimum size limit and a 5 fish daily possession limit, no more than 3 of which may be 15 inches or greater, except up to 5 salmon (Chinook or coho) 15 inches or greater may be retained in the daily possession limit on these waters. Artificial lures and all types of natural bait may be used. Please see page 13 for Michigan-Wisconsin Boundary Waters regulations.
