

Hunting Zones and Time Zones

Michigan is divided into waterfowl (duck, coot, moorhen, and goose) hunting zones: North, Middle, and South; see map below. The North zone includes all of the Upper Peninsula. The dividing line between the Middle zone and South zone is a line beginning at the Wisconsin border in Lake Michigan, due west of the mouth of Stony Creek in Oceana County; then due east to, and southeasterly along the south shore of Stony Creek to Scenic Drive, southeasterly along Scenic Drive to Stony Lake Road, easterly along Stony Lake and Garfield Roads to M-20, east along M-20 to US-10 Business Route (BR) in the city of Midland, east along US-10 BR to US-10, east along US-10 to I-75/US-23, north along I-75/US-23 to the US-23 exit at Standish, east along US-23 to the centerline of the AuGres River, then southerly along the centerline of the AuGres River to Saginaw Bay, then on a line directly east 10 miles into Saginaw Bay, and from that point on a line directly northeast to the Canada border.

Shooting Hours Time Zone A

The map on page 16 includes hunting-hour time zones and time adjustments needed for zones B, C, and D. Actual times for Time Zone A are shown in the table below. Hours in the table are one half hour before sunrise to sunset (adjusted for daylight saving time). Shooting hours for the early teal season differ; see page 11.
