

IMPORTANT NOTICE

Effective Wednesday, June 22, 2016, Design and Construction will cease having Public Bid Openings and will **ONLY** accept construction bids electronically through the Buy4Michigan website at www.buy4michigan.com

Contractors will be able to submit hard copy backups of their electronic submittals through Wednesday, August 31, 2016. The backup hard copy will be used if a **valid** bid is received on Buy4Michigan and there is a problem with the attachments.

Please note: **Hard copy bids will not supercede the electronic submittal.**

If a contractor needs to resubmit their bid due to a revision, please be aware that Design and Construction will only consider the most recent bid submittal.
