Questions & Answers

Q. Under “Space Requirement” I.2. only the overall area is mentioned 3,500-4,000 SF; can we get a clarification on what type of office layout is expected? How many offices, office size, open general office space, etc..?

A. This will be a typical Secretary of State office, the floor plan which is part of the RFP will answer your questions. You can decide how it will fit into your space before you submit your proposal.
