

# DEPARTMENT OF TECHNOLOGY, MANAGEMENT AND BUDGET

## REPORT ON KEY INFORMATION FOR EXECUTIVE BRANCH ENTERPRISEWIDE INFORMATION TECHNOLOGY PROJECTS

Prepared for the Legislature  
As required by Section 830 of Public Act 56 of 2019

February 27, 2020

Public Act 56 of 2019 Section 830 requires the department of technology, management, and budget, enterprise portfolio management office (EPMO), provide a report on a quarterly basis providing key information on all executive branch department and enterprisewide information technology projects.

The EPMO Quarterly Report reports on the requirements included in Section 830. Please find the dashboard report [here](#).

This dashboard has been enhanced to update information from DTMB's project and portfolio management tool daily. In addition, change request information that was previously provided as a supplemental report has been incorporated into the dashboard.
