To register to vote in Michigan you must be:

- **A Michigan resident (at the time you register) and a resident of your city or township for at least 30 days (when you vote).**
- **A United States citizen.**
- **At least 18 years of age (when you vote).**
- **Not currently serving a sentence in jail or prison.**

We won't share your driver's license and social security number, day and month of birth, email, phone number (or decision to not register). Some voter registration information, however, is public.

We will register you to vote unless you check the box below.

Don't use my information for voter registration.

I hereby certify, under penalty of perjury, that the information contained on this application is true and correct, and that a court is not holding my license. Notice: Michigan law requires that the same address be used for voter registration and driver's license purposes. Therefore, **if the residence address you provide in the application differs from your voter registration address as it appears on the Qualified Voter File, the Secretary of State will automatically change your registration to match the residence address on this application**, after which your voter registration at your former address will no longer be valid for voting purposes. A new voter information card, containing the information of your polling place, will be provided to you by the clerk of the jurisdiction where your residence is located.

If you check the opt out box on this form to decline voter registration, your decision will remain confidential and will only be used for voter registration purposes. **If you are already registered, checking the box won't cancel your registration or stop your registration address from being updated.**

After completing the form, return it by mail to:

**Michigan Department of State
P.O. Box 30764
Lansing, MI 48909-8264**

If changing your driver's license or ID card address, an address label for the back of your license or ID card will be mailed to you within 14 days. If registering to vote, your voter registration won't be valid until accepted by your local clerk. If your voter identification card doesn't arrive within 3 weeks, contact your city or township clerk.

When changing your address by mail, a letter verifying the change and containing the new address will be mailed to your old address. If you don't want residents at your old address to have your new address, then you should change your address in person at a Secretary of State office.
