F. Unfinished Business

1. Ant infestation through well cap vent – Matt G
 - a. Dave spoke with Matt G earlier today and was asked to convey that Matt G spoke to an attorney and said the potential exists that a variance could be given on mesh size.
 - b. Eric stated that issues like this one regarding the interpretation of the Well Code

normally go under his signature to the AG's office to get an official opinion in writing. Eric has not been approached to complete this task to date.

2. Part 127 Statute/Rule revision – Buddy
 - a. MGWA reviewed their responses to the EGLE Top 10.
 - b. Further discussion will occur outside of the WWAC meeting.
 - c. A stakeholder's group will need to be formed if a Part 127 revision is pursued.

G. New Business

1. April 9, 2021 Contractor Examination Update – Dave
 - a. 6 individuals are taking the test and 2 are retakes
2. Contractor Enforcement Update – Anita
 - a. A virtual informal conference was held on March 24, 2021, with an Antrim County contractor.

H. Other Business or Comments

1. Well suppliers who typically had a 12-day turnaround on supplies are stating manufacturing now has a 4-6 weeks turnaround time.

I. Next Meeting Date – July 22, 2021, 1:00 – 4:00 p.m.
