

Potentiometric Surface Contours

- Unit D2 & Portions of E
- Other Items
- Potentiometric Surface Elevation
- Data Not Used
- Compliance Monitoring Well
- Soil Boring
- Current/Former Drinking Water Well
- Unit D2 Extraction Well Operating During Stamping
- Plugged or Abandoned

Well Type

- Artesian Well
- Extraction Well
- Injection Well
- Monitor Well
- Production Well
- Current/Former Drinking Water Well
- Unit D2 Extraction Well Operating During Stamping
- Plugged or Abandoned

Potentiometric Surface Map

Units D2 & E (March 17, 2020)
