

Potentiometric Surface Contours

- Unit C3
- Unit D0
- Unit D2
- Unit D3
- Other Items
- Potentiometric Surface Elevation
- Production Well
- Monitoring Well
- Current/Former Drinking Water Well
- Unit D0 & C3 Extraction Well Operating During Sampling
- Compliance Monitoring Well
- Soil Boring
- Plugged or Abandoned

Well Type

- Artesian Well
- Extraction Well
- Injection Well
- Other Items
- Production Well
- Monitoring Well
- Current/Former Drinking Water Well
- Unit D0 & C3 Extraction Well Operating During Sampling
- Compliance Monitoring Well
- Soil Boring
- Plugged or Abandoned

Potentiometric Surface Map

Units D0, D2, C3 & SW (March 17, 2020)

Gelman Sciences, Scio Twp., Washtenaw County, Michigan
