

# 2014 West Nile Virus Equine Testing Results in Michigan

## Final

**Legend**

 Counties with EQUINE testing activity positive to date for WNV (Includes confirmed and probable cases)

Produced by MDCH Communicable Disease Division. Map updated as cases identified and testing results become available through the Michigan Department of Agriculture and Rural Development.

In 2013, there were 3 WNV positive equine cases, one each from Kent, Allegan, and Ingham Counties.
