## Readying Michigan to Make Good Energy Decisions

### Michigan Energy Public Forum

Monday, March 18  
Western Michigan University  
Fetzer Center  
Kirsch Auditorium  
2350 Business Ct.  
Kalamazoo, MI 49008-5239

- Introduction:** Steve Bakkal, Director, Michigan Energy Office  
John Quackenbush, Chairman, Michigan Public Service Commission  
State Legislators and Local Public Officials
- Presentations:** (approx. 10 min each)  
Indiana Michigan Power Company - Paul Chodak, President & COO  
J. RETTENMAIER USA – Gerhard Goss, Director, Administration and Controlling  
THAW – Jill Brunett, Marketing Director  
West Michigan Environmental Action Council - Nick Occhipinti, Director of Policy and Community Activism)  
ACEEE – Marty Kushler, Senior Fellow  
ACCCE – Gene Trisko, Attorney at Law  
Union of Concerned Scientists - Steve Frenkel, Director, Midwest Office  
Exelon – David Fein, Vice President, State Government Affairs - East  
Public Sector Consultants – Ken Sikkema, Senior Policy Fellow
- Public Statements:** If you would like to make a statement, please fill out a card expressing your desire to speak. The cards are at the welcome center (and attached on next page for convenience), and we will call speakers up by name. We will make every effort to allow people the opportunity to speak given the time allotment we have for this forum, but there is no guarantee that there will be enough time for everyone to speak.
- Written Statements:** Written feedback is an important part of this process. Written submissions will be considered in the same manner as verbal comments made at the forums. Please see [www.michigan.gov/energy](http://www.michigan.gov/energy) to provide as much information as possible to our team in writing.
