30. DEPARTMENT OF MANAGEMENT AND BUDGET

- 1) Release capital outlay appropriations included in Public Act 309 of 2004 totaling \$23,681,000 (\$23,680,900 state restricted, and \$100 general fund/general purpose) for the Department of Natural Resources and the State Building Authority for the fiscal year ending September 30, 2004.
- 2) Release capital outlay appropriations included in Public Act 309 of 2004 total \$250,797,100 (\$7,795,000 state restricted, and \$243,002,100 general fund/general purpose) for the State Building Authority for the fiscal year ending September 30, 2005.

**SECTION IV. REVISION TO WORK ORDER**

**SECTION V. CLAIMS - PERSONAL PROPERTY LOSS**

31. DEPARTMENT OF CORRECTIONS

Employee

- 1) Robert Tinerella \$350.00

The claimant (04-SAB-123) requests \$350.00 reimbursement for his personal eyeglasses broken while restraining an inmate. He used his available insurance benefits to purchase the pair that got broken so the Department recommends approval of this claim for the entire amount.

Inmate

- 2) Christopher Alexander #272879 \$ 53.94

The claimant (04-SAB/DOC-207) requests \$53.94 reimbursement for a pair of shoes stolen while he was at work. Claimant was unable to provide proof that the theft was a result of staff action/inaction. The Department recommends denial of this claim.

- 3) Charles Allen #360070 \$ 28.25

The claimant (04-SAB/DOC-238) requests \$28.25 reimbursement for his watch lost while under the sole control of the Department. Claimant provided proof of the purchase of a watch, but not the purchase price. Since the maximum value of jewelry can be \$50, the Department recommends approval of this claim at residual value of \$5.00.

- 4) Jerold Brayboy #191077 \$999.00

The claimant (04-SAB/DOC-239) requests \$999.00 reimbursement for several items allegedly damaged by staff. Claimant waited over six years to file a grievance regarding these items and over eight years to file this claim making it difficult to investigate his allegations. He did not provide sufficient evidence to support his claim; therefore, the Department recommends denial of this claim.

31. DEPARTMENT OF CORRECTIONS continued

- 5) Philip Brunson #225764 \$ 16.00

The claimant (04-SAB/DOC-219) requests \$16.00 reimbursement for his beard trimmers lost while under the control of the Department. The Department recommends approval of this claim.

- 6) Kelly Shepler-Coin #257794 \$545.00

The claimant (04-SAB/DOC-240) requests \$545.00 reimbursement for her white gold ring with sapphires and diamonds lost while under the sole control of the Department. Claimant provided a statement from a J. C. Penney store manager supporting the ring purchase in 1984. Staff contacted the store manager who stated they do not keep records past 10 years and the statement was provided "to help the customer." This is not sufficient proof of the value of the ring. The Department recommends approval of this claim for the sum of \$50.00 that is the maximum allowable value of jewelry.

- 7) Phillip Conely #170128 \$ 89.90

The claimant (04-SAB/DOC-214) requests \$89.90 reimbursement for his TV lost while under the sole control of the Department. Claimant did not provide proof of the purchase or the purchase price. The Department recommends approval of this claim at residual value of \$8.00.

- 8) John Cromer #219622 \$145.00

The claimant (04-SAB/DOC-196) requests \$145.00 reimbursement for costs to repair his typewriter. The State Administrative Board adopted the recommendation to approve reimbursement of \$12.00 for the value of the typewriter on 3/2/2004. Now that claimant knows how much it costs to repair the typewriter, that amount is what he wants. The Board does not reimburse for repair costs, only for the value; therefore, the Department recommends denial of this claim.

31. DEPARTMENT OF CORRECTIONS continued

- 9) John Cromer #219622 \$ 43.94

The claimant (04-SAB/DOC-197) requests \$43.94 reimbursement for two printwheels lost while under the sole control of the Department. Claimant provided documentation listing the purchase price of printwheels as \$19.97, but no proof of the purchase date. The cost for two would be \$39.94. The Department recommends approval of this claim at residual value of \$3.99.

- 10) Dwayne Davis #200318 \$999.99

The claimant (04-SAB/DOC-222) requests \$999.99 reimbursement for numerous items of personal property allegedly destroyed by a corrections officer. An investigation determined the officer did not follow policy during the shakedown of the claimant's cell. Claimant was not provided with a Contraband Removal. Some of the destroyed items were State-issued and claimant will not be reimbursed for those. Other items were of undetermined value and claimant cannot be reimbursed for those items. There also was no proof of loss of the adapter, walkman, or the transcripts, so claimant will not be reimbursed for those items. The Department recommends denial of this claim.

- 11) Michael Davis #230330 \$ 15.25

The claimant (04-SAB/DOC-210) requests \$15.25 reimbursement for a watch he ordered and never received. The Department recommends approval of this claim.

- 12) Paul Graves #246597 \$193.00

The claimant (04-SAB/DOC-242) requests \$193.00 reimbursement for the cost to repair his headphones. Claimant contributed to the loss of his headphones by loaning/selling/trading them to another prisoner. The Department recommends denial of this claim.

31. DEPARTMENT OF CORRECTIONS continued

- 13) Andrew Helferich #385957 \$ 53.94

The claimant (04-SAB/DOC-226) requests \$53.94 reimbursement for his basketball shoes lost while under the sole control of the Department. The Department recommends approval of this claim.

- 14) David Hollmon # 222991 \$ 21.00

The claimant (04-SAB/DOC-243) requests \$21.00 reimbursement for his photo album, beard trimmers, and padlock lost while under the sole control of the Department. The photo album is not reimbursable. Claimant did not provide proof of the purchase date of the trimmers and padlock; therefore, the Department recommends approval of this claim for the residual amount of \$2.70.

- 15) Renardo Lane #220777 \$ 31.64

The claimant (04-SAB/DOC-217) requests \$31.64 reimbursement for his headphones lost while under the sole control of the Department. The Department recommends approval of this claim at three year's depreciation for the sum of \$12.66.

- 16) Terae Lester #326006 \$ 15.87

The claimant (04-SAB/DOC-244) requests \$15.87 reimbursement for his walkman found in another inmate's cell. Claimant contributed to his loss by loaning/selling/trading the walkman; therefore, the Department recommends denial of this claim.

- 17) Walter Lumpkin #177202 \$ 10.75

The claimant (04-SAB/DOC-241) requests \$10.75 reimbursement for his walkman broken by staff. The Department recommends approval of this claim for the sum of \$12.89 for the purchase price and shipping.

31. DEPARTMENT OF CORRECTIONS continued

18) Thomas Lyons #124655 \$999.00

The claimant (04-SAB/DOC-225) requests \$999.00 reimbursement for his typewriter and accessories lost while under the sole control of the Department. The facility admits responsibility for the loss of the typewriter, but there is no evidence to support that staff had the discs and printwheels. The typewriter was purchase in 1990, but had been repaired in 1991 for \$208.95. The Department recommends approval of this claim at one year's depreciation for the sum of \$167.16.

19) Curtis Marcelis #195123 \$ 71.00

The claimant (04-SAB/DOC-245) requests \$71.00 reimbursement for his TV damaged while under the sole control of the Department. The facility did not use adequate packing materials that were readily available. The Department recommends approval of this claim **as an exception to the standard practice for the sum of \$71.94.**

20) Terry Mayhue #242374 \$ 11.20

The claimant (04-SAB/DOC-246) requests \$11.20 reimbursement for his tape player accidentally broken by staff. The Department recommends approval of this claim.

21) Randy Mercer #234875 \$116.70

The claimant (04-SAB/DOC-006) requests \$116.70 reimbursement for his typewriter damaged while under the sole control of the Department. The Department recommends approval of this claim for the sum of \$166.52 for the purchase price and shipping.

22) Antionne Murphy #228035 \$112.50

The claimant (04-SAB/DOC-227) requests \$112.50 reimbursement for his TV damaged while under the sole control of the Department. The Department recommends approval of this claim at four year's depreciation for the sum of \$22.50.
