

**Summary of  
Michigan Department of Environmental Quality Actions  
In Response to the  
United States Environmental Protection Agency  
Emergency Administrative Order  
Updated: 1/22/2019**

**EXECUTIVE SUMMARY:**

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environmental Quality (MDEQ). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Monday, January 28, 2019.

- On 1/16/2019, the MDEQ issued a press release: Flint's Water Remains Stable, Continues to Test Well Below Federal Action Level. This press release included information from the city of Flint's Lead and Copper Rule compliance report for the period covering June 2018 – December 2018, and stated the 90<sup>th</sup> percentile of Tier 1 samples collected was at or below 4 parts per billion.
