

**Summary of
Michigan Department of Environmental Quality Actions
In Response to the
United States Environmental Protection Agency
Emergency Administrative Order
Updated: 3/12/2018**

EXECUTIVE SUMMARY:

The United States Environmental Protection Agency (EPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environmental Quality (MDEQ). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Monday, March 19, 2018.

DETAILED INFORMATION:

Paragraph 59 (corrosion control) and paragraph 60 (new water source).

- On 2/28/2018, Mayor Karen Weaver sent a letter to EPA to provide the status in meeting the requirements of the Emergency Order. This letter was posted on 3/2/2018.

Other:

- The MDEQ completed Round 3 week 2 sampling at the Flint Community Schools (FCS) on 3/10/2018. Round 3 week 3 sampling is scheduled for 3/17/18.
- Flint Field Office (FFO) staff completed bottle drop-off and pick-up the week of March 5 for compliance monitoring sampling. 126 samples were picked up and sent to the lab for analysis.
- The MDEQ received a draft project plan for Water Infrastructure for Improvements to the Nation (WIIN) funding and as of 3/12/2018 staff were commenting on the plan.
