

**Summary of
Michigan Department of Environmental Quality Actions
In Response to the
United States Environmental Protection Agency
Emergency Administrative Order
Updated: 7/30/2018**

EXECUTIVE SUMMARY:

The United States Environmental Protection Agency (EPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environmental Quality (MDEQ). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Monday, August 6, 2018.

DETAILED INFORMATION:

Paragraph 54: Lead service lines:

- On 7/23/2018, the MDEQ sent a letter to the city of Flint (City) seeking clarity on the City's position on hydro excavation and clarity around some recent hydro excavation activities. This letter was posted online on 7/24/2018.
- On 7/24/2018, the City sent a letter to the MDEQ as an addendum to a June 15, 2018, letter, sent in response to the MDEQ's May 31, 2018, letter, regarding service line removal activities. This letter was posted online on 7/25/2018.

Other Documents:

- On 7/25/2018, the MDEQ sent the City a letter requesting reimbursements for work submitted and an updated timeline for when work is expected to be complete. This was posted online on 7/25/2018.
