

**Summary of  
Michigan Department of Environmental Quality Actions  
In Response to the  
United States Environmental Protection Agency  
Emergency Administrative Order  
Updated: 10/22/2018**

**EXECUTIVE SUMMARY:**

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environmental Quality (MDEQ). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Monday, October 29, 2018.

Paragraphs 57 – 62: Chlorine residuals; corrosion inhibitors; corrosion control; technical, managerial and financial capacity; necessary, capable and qualified personnel; water quality optimization plan including better documentation and enhancing communications.

- On 10/22/2018, the MDEQ issued a letter to Mayor Weaver, City of Flint, regarding an Order under MCL 325.1015(2) of Michigan's Safe Drinking Water Act. Attached to the letter was the Order, along with background information. This was posted on the website on 10/22/2018.
