Michigan Department of Environmental Quality Actions
In Response to the
United States Environmental Protection Agency
Emergency Administrative Order
Updated: 12/28/2018**

EXECUTIVE SUMMARY:

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environmental Quality (MDEQ). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Wednesday, January 2, 2019, due to the new year's holidays and staff being on leave.

Paragraphs 57-62: corrosion control; new water source; technical, managerial and financial capacity; necessary, capable and qualified personnel; distribution system:

- On 12/17/2018, the MDEQ and the city of Flint (Flint) entered into a Voluntary Agreement that replaces the MDEQ Order dated 10/22/2018. This was posted on the website on 12/17/2018.

Other Documents:

- On 12/06/2018, the MDEQ signed Flint's Drinking Water Revolving Fund Project Milestone Schedule. This was posted online on 12/28/2018.
- On 12/21/2018, the MDEQ posted to the website the Drinking Water Revolving Fund Order of Approval. This is for \$77.7 million in Water Infrastructure Improvements for the Nation (WIIN) Act funding to implement infrastructure projects.
