

**Summary of
Michigan Department of Environment, Great Lakes, and Energy
Actions in Response to the
United States Environmental Protection Agency
Emergency Administrative Order
Updated: 05/04/2020**

EXECUTIVE SUMMARY:

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environment, Great Lakes, and Energy (EGLE). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Monday, May 11, 2020.

Paragraph 60:

- On April 27, 2020, the Flint City Council met to consider the approval of a secondary water source, as required under the state and federal Safe Drinking Water Act. However, they were unable to approve a secondary water source and postponed consideration until their May 11 meeting.
