

**Summary of
Michigan Department of Environment, Great Lakes, and Energy
Actions in Response to the
United States Environmental Protection Agency
Emergency Administrative Order
Updated: 7/15/2020**

EXECUTIVE SUMMARY:

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environment, Great Lakes, and Energy (EGLE). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Tuesday, July 21, 2020.

Paragraph 53B

- On June 29, 2020, the city of Flint (Flint) requested an extension for the collection and identification of their sampling sites for the January 1 through June 30, 2020 monitoring period.
- On July 6, 2020, EGLE granted Flint an extension for the identification of the Tier status for the sampling sites until July 31, 2020. Guidance from the USEPA would not allow for an extension for the collection of samples past June 30 for this monitoring period.
