

**Summary of  
Michigan Department of Environment, Great Lakes, and Energy  
Actions in Response to the  
United States Environmental Protection Agency  
Emergency Administrative Order  
Updated: 8/11/2020**

**EXECUTIVE SUMMARY:**

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environment, Great Lakes, and Energy (EGLE). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Tuesday, August 18, 2020.

Paragraph 53B

- On July 31, 2020, the city of Flint requested a second extension to identify the service line materials at the remaining sampling sites for the January 1 through June 30, 2020 lead and copper monitoring period.
- On August 4, 2020, EGLE granted an additional extension for the identification of the service line material for the remaining sampling sites until August 14, 2020.
