

**Summary of
Michigan Department of Environment, Great Lakes, and Energy
Actions in Response to the
United States Environmental Protection Agency
Emergency Administrative Order
Updated: 8/25/2020**

EXECUTIVE SUMMARY:

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environment, Great Lakes, and Energy (EGLE). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Tuesday, September 1, 2020.

Paragraph 53B

- On August 12, 2020, the city of Flint requested a third extension to identify the service line materials at the remaining sampling sites for the January 1 through June 30, 2020 lead and copper monitoring period.
- On August 21, 2020, EGLE granted an additional extension until August 28, 2020, for the identification of the service line material for the remaining sampling sites.
