

**Summary of  
Michigan Department of Environment, Great Lakes, and Energy  
Actions in Response to the  
United States Environmental Protection Agency  
Emergency Administrative Order  
Updated: 9/23/2019**

**EXECUTIVE SUMMARY:**

The United States Environmental Protection Agency (USEPA) Emergency Administrative Order contains 15 overall items to be addressed by the Michigan Department of Environment, Great Lakes, and Energy (EGLE). This update includes status only on items for which progress was made in the last week. It is anticipated that the next update to this summary will be provided on Monday, September 30, 2019.

Paragraph 53B

- The city of Flint (City) submitted their final updated Lead and Copper Report to EGLE on September 16, 2019. It is currently being reviewed by EGLE staff. The 90<sup>th</sup> percentile value will be determined through the documentation provided by the City. The City will receive notification of the calculation as soon as the review is complete.
