Re: TMF Report-Request for Extension of Time Pursuant to the MDEQ (n.k.a. EGLE) & City of Flint Voluntary Agreement-Section IV Extension, § II Terms, ¶C

Dear Eric:

On November 11, 2019, the City transitioned to a new City administration under the leadership of Mayor Sheldon A. Neeley. While the new administration is receiving important City updates, we are requesting additional time to prepare and submit the next Technical, Managerial and Financial report that is due to EGLE on December 17, 2019. Therefore, as discussed at the December 5, 2019 joint meeting with the City, EPA and EGLE and pursuant to the City of Flint and MDEQ Voluntary Agreement, Section IV Extension, § II Terms, ¶C, the City makes its formal request for submission of its TMF Report no later than January 31, 2020.

Thank you for your consideration of this request. Please confirm that the aforementioned request is granted.

Sincerely,

A handwritten signature in blue ink, appearing to read "Angela Wheeler".
