Re: Settlement Agreement in *Concerned Pastors v Khouri*  
Case No. 2:16-cv-10277-DML-SDD

Dear Angela and Bill:

On August 13, 2018, Hughey Newsome, Chief Financial Officer for the City of Flint, sent a letter to Amy Epkey, Administration Deputy Director for Michigan Department of Environmental Quality ("MDEQ"). On page two of that letter, Mr. Newsome states that the City disagrees with "MDEQ's interpretation of the settlement agreement's language." Yet, Mr. Newsome provides no explanation as to the nature of that alleged disagreement. If in fact such a disagreement exists, please provide us with a more detailed explanation of Flint's concern.

Please feel free to contact me at the below number or at [kuhl@michigan.gov](mailto:kuhl@michigan.gov) if you would like to further discuss this issue.

Sincerely,

A handwritten signature in blue ink, appearing to read "RSK", written over a horizontal line.

Assistant Attorney General

Agriculture Division
