Source: United States Census Bureau. The estimates for July 1990 through July 1999 are preliminary intercensal estimates released by the Census Bureau on 4/9/02. The estimates for 1981 through 1989 were revised in November, 1993 (CPR P25-1106.) The estimates for July 1970 and July 1980 are interpolations.

Note: These estimates reflect the resident population of each state. They include members of the armed forces stationed in each state, but they do not include members of the armed forces stationed overseas.
