## PUBLIC COMMENT

Susan Talley, MPTA President addressed the Board and expressed gratitude for the timeliness in which recent students have been receiving their licenses. She would like to ensure the Board communicates with the universities to ensure they are aware of when the Jurisprudence exams will be going into place. She will be stepping down as president of the MPTA and her successor will be Mike Schumacher. Stated the Board will be getting appointed a Pain Committee. She explained the guidelines for acceptance of letters vs a certification for PT lectures given. The MPTA world like more information on dry needling.

"Jake" Jakubiak Kovacek addressed the Board regarding the language used in rule 338.7163(3) Activity Code 19. She wonders if the Board should use language that is more universal to prevent having to continually update the rules if oPTion is initiated and the PRT is replaced.
