MOTION PREVAILED

APPROVAL OF MINUTES

MOTION by Bradley, seconded by Thompson, to accept the Proposal for Decision and grant reinstatement. Petitioner's license is limited for a minimum of one day with no clinical practice until Petitioner takes and passes the COMLEX and successfully completes 1,000 hours of job shadowing with a board-approved physician supervisor in a clinical setting. Upon successful completion of the clinical practice limitation, the license will be automatically reclassified to a limited license for five years with no treatment of patients under the age of 18 and a licensed health professional chaperones Petitioner during the treatment of all patients. Petitioner must apply for reclassification of the limited license. Petitioner is placed on probation to run concurrent with the limitation for five years. The probationary terms include a HPRP evaluation and a regulatory monitoring agreement, if required; monthly supervisor reports from the job shadowing physician during the clinical practice limitation; and if an HPRP regulatory monitoring agreement is not in effect, the petitioner must submit quarterly physician reports attesting to compliance with treatment.
