COMMITTEE REPORTS

Allegation Review Committee

Wright reported that 24 files were reviewed. Twelve files were authorized for investigation, eleven files were closed, one file was returned for additional records, and six files still need to be reviewed.

Continuing Education Committee

Maher directed the Board to the list of providers seeking approval as sponsors for dentistry continuing education and provided a verbal highlight of same. See the attached Addendum #1.

Endorsement Committee

No report. Committee did not meet.

RDA Committee

No report. Committee did not meet.

RDH Committee

Franklin reported that the committee would like to see PA 161 reports being sent to the Board on a regular basis. The committee would also like a copy PA 161 going out in the new Board member packets.

Franklin reported that the committee is in support of there being a 1 CE requirement in jurisprudence when rules are opened.

The committee is discussing clarifications they would like to see in the rules.

Rules Committee

Carpenter reported the rules were filed on January 6, 2017. She explained that the current rules will need updating. Carpenter would like to hear from each committee on what changes they would like to make to the rules. Carpenter explained with the size of the Dentistry rules, the process is going to take two to three years.

PA 161 Update

Erin Suddeth, Public Health Consultant with the Department of Health and Human Services, directed the Board to the January PA 161 update that was sent to the Board and provided a verbal highlight of the same.

Disciplinary Subcommittee

Hale reported that the Disciplinary Subcommittee (DSC) had 4 Consent Order and Stipulations, one Request for Dismissal, and one Administrative Complaint to review. The matters will be discussed at the DSC meeting immediately following the conclusion of the full Board meeting.

Ad/Hoc Committee on Anesthesia

No report. Committee did not meet.

Chairperson's Report

Kaysserian provided a brief overview of the CDCA annual meeting, Weidig will be providing a full report.

From the CDCA meeting, Kaysserian reported that Brittany Verner, the Public Affairs and Special Projects Leader for the CDCA, would like to know who to contact within the Department to keep CDCA's records up to date.

Kaysserian also reported that one of the speakers at the meeting spoke about sedation and its relation to morbidity and mortality. The statistics provided were as follows:

There is one death in every 400,000 dental procedures.

There is one death in every 100,000 medical procedures.

The statistics do not take into consideration the general health of the patients.

MOTION by Hines, seconded by Franklin, to approve all committee reports.
