MOTION PREVAILED

Gaedeke spoke to the Board informing them that the Department has gotten a new vendor that will replace the Michigan Automated Prescription System (MAPS). The Department has met with the new vendor, Apriss, to discuss a timeline and data migration. April 2017 is the projected launch date, although they are working to have it running sooner. The Department has also been awarded grants that will assist in enhancing the new system. She encouraged the Board to offer any suggestions for enhancement as the Department will be consulting with Board members as test users. The Department will also work with practitioners to encourage them to use the new system and to educate them on how to use the new system.
