Rules Discussion

Roselle explained that Department leadership has mandated that all rules committee meetings will be open to the public in order to receive public input on the rules draft earlier in the rulemaking process. Roselle stated that the Rules Committee recently held a public rules workgroup that discussed the draft presented to the Board today. Roselle reminded everyone that the Rules Committee makes the final recommendation on the rules to the Board.

Roselle presented the draft rules to the board for review (Attached).

Discussion was held.

MOTION by Barish, seconded by Sanders, to approve the draft rules with changes discussed today.

Chair Report

Barry indicated that he attended the NCARB meeting in March along with Gustafson and Brian DeBano from the Department. He indicated that he will be attending the NCARB Annual meeting from June 20 - 22, 2019, in Washington, DC along with Gustafson and Larson. He stated that the Zone may have money to provide a scholarship if anyone was interested in attending. Myers expressed interest.

Department Update

Roselle announced that Kim Gaedeke has been named Chief Deputy Director of the Department of Licensing and Regulatory Affairs.

Roselle announced that Adam Sandoval has been named Deputy Director of the Department of Licensing and Regulatory Affairs.

Roselle stated that the Bureau held the New Board Member Training in March that was well received by those who attended. This training was very detailed and included information on the Inspections & Investigations and Enforcement sections of the Bureau. Roselle

announced that another training will be held on July 31, 2019, and all Board members are welcome to attend.

Roselle thanked the Board and Rules Committee for their insight when working on the rules and for being so engaged in the process.

PUBLIC COMMENT

Benedetto Tiseo of Tiseo Architects asked how he could obtain a copy of the Master Resolution that was presented today. Wysack indicated that he would need to submit a request under the Freedom of Information Act. He can find information on the process by going online to www.michigan.gov/bpl and clicking on the box that says Request Documents.

Tiseo indicated that he would like the Board to consider allowing Architects to place their licenses in an inactive status as other states allow. Roselle clarified that the option to offer inactive status, also commonly referred to as emeritus, retired, or registered status has been frequently discussed in the past but that such options would require legislative changes in the statute. The Board does not have the authority to provide such options in the rules and it cannot propose legislative changes.

Tiseo asked how the rules would be addressed when the NCARB Model Rules of Conduct, adopted by reference in the rules, change year to year. Roselle indicated that the rules would need to be opened again in order for a different model year to be recognized, but the Board could choose to retain an older version currently adopted in the rule regardless of what changes NCARB implements.

Tiseo inquired how long it may be until the rules would be effective. Roselle explained the remainder of the steps left in the promulgation process. This process could take several months.

ANNOUNCEMENTS

The next regularly scheduled meeting will be held September 11, 2019 at 1:00 p.m., at 611 West Ottawa Street, Upper Level Conference Center Room 3, Lansing, Michigan 48933.

ADJOURNMENT

MOTION by Larson, seconded by Barish, to adjourn the meeting at 3:04 p.m.

A voice vote followed.
