FINANCE DIVISION

Ms. Hamilton requested approval to delist products that have no sales for the last 12 months ending on April 30, 2021. They are making this adjustment to the delisting procedure because of sales and marketing issues caused by the pandemic. She would like the Commission to approve the request to delist by June 4, 2021 so the Finance Division can meet the July 4, 2021 effective date and the delisted products will not show in the August 1st price book. Ms. Hamilton advised preliminary reports could go out today to vendors and a final report would be sent after staff has completed a review of the reports.

After a brief discussion, Commissioner Olshove made a motion approve the request for delisting, Commissioner Lasher supported and the motion was carried by unanimous vote.

Chair Gagliardi advised we would continue to take written comments on the delisting procedures until June 11, 2021 and Ms. Hamilton gave her email address for comments to be sent in. Chair Gagliardi stated we would be having another meeting and a date would set in the future.
