RULES DISCUSSION – A copy of the draft rules, revised pursuant to the meeting discussion, are attached.

R 338.701 Definitions.

Subdivision (1)(b): Marks asked the Rules Committee if they wanted any changes to this rule.

Stout stated it should be left as is.

Marks stated that the statute provides more information than the definition.

Stout inquired about clarifying that 50 to 60 minutes of educational instruction constitutes an hour. However, Marks informed him that this information was located in the continuing education section of the rules.

Subdivision (1)(e): Marks stated that this refers individuals to the statute.

The Rules Committee agreed with the language as presented.

R 338.702 Telehealth.

Subrule (3): Marks stated that this subrule was added to clarify when it is appropriate to use telehealth.

Marks stated that the definition of telehealth is broader than services provided over the phone.

Stout asked how the Acupuncture Board worded telehealth in their rule set. He stated that telehealth could be negatively impact public health because there are things that can't be seen over the phone.

Marks stated that the Acupuncture rule regarding telehealth is worded the same as in the Massage Therapy draft rule.

Wiley stated that telehealth could be beneficial if used generically when identifying muscles that affect headaches, etc.

Stout stated that allowing telehealth opens the possibility of online, telehealth practices where there is no in-person contact.

Marks stated that the language in subrules (1) and (2) comes from the statute. The language includes consent for treatment. Subrule (3) limits the massage therapist to practicing within the scope of their practice.

Savoyat asked if there was a choice in adding telehealth to the rules.

Michigan Board of Massage Therapy Rules Committee Work Group Meeting Minutes June 2, 2020 Page 3 of 8

Marks stated that it is statutory, so must be added. The language in Subrule (3) is not statutory language.

Part 2. Education

Marks stated that there were no new changes made to Part 2. The language will provide clarification to the schools about how many hours of coursework need to be provided by date.

The Rules Committee agreed with the language as presented.

R 338.726 Educational standards; adoption by reference.

Marks stated that term "assigned schools" was originally placed in the rules to include smaller schools so they did not have to obtain accreditation through the Council for Higher Education Accreditation (CHEA).

Wiley asked about including the Commission on Massage Therapy Accreditation (COMTA).

Stout stated that COMPTA was covered by referencing the standards of the United States Department of Education and CHEA.

Skubik asked if all accrediting commissions were approved by the United States Department of Education.

Marks stated that assigned schools under the National Certification Board for Therapeutic Massage & Bodywork (NCBTMB) and CHEA are recognized.

Skubik asked if other options would be accepted, such as the Accrediting Council for Continuing Education and Training (ACCET).

Wiley confirmed what Stout previously stated. COMTA and ACCET are recognized by the United States Department of Education. Therefore they are covered under the rules without being separately listed.

R 338.732 Training standards for identifying victims of human trafficking; requirements.

Marks stated no substantive changes were made.

The Rules Committee agreed to the language as presented.

R 338.734 Examination; passing scores.

Marks stated no substantive changes were made. The Rules Committee agreed to the language as presented. Michigan Board of Massage Therapy Rules Committee Work Group Meeting Minutes June 2, 2020 Page 4 of 8

R 338.735 Licensure; massage therapist; requirements.

Marks stated no substantive changes were made.

The Rules Committee agreed to the language as presented.

R 338.736 Foreign-trained applicants; licensure; requirements.

Subrule (c): Marks stated that this has been removed from the rules as English proficiency is now covered in the Public Health Code - General Rules and applies to all health professions. The Public Health Code - General Rules went to public hearing on May 22, 2020. The next step is the Joint Committee on Administrative Rules.

R 338.737 Licensure by endorsement; requirements.

Subrule (3): Marks stated that she spoke with staff from the Licensing Division and they had no concerns about the need for an exam.

Subrule (4): Marks stated that the requirements for an individual licensed less than three years are the same as an individual applying for an initial license out of school.

The Rules Committee agreed to the language as presented.

R 338.738 Relicensure.

Marks stated that the rule was changed from paragraph form to chart form as it is easier to read and follow. Marks read through the chart.

Krombeen stated that boxes should be formatted to one page.

Marks stated that it will look different in the final draft. However the formatting cannot be changed at this time.

Krombeen asked how long fingerprints were kept by the Department.

Wysack clarified that the fingerprinting was done electronically. The Department only receives a report, not the actual fingerprints.

R 338.739 License renewals; massage therapist; requirements; applicability.

Marks stated that the number will be corrected to follow the changes.

Subrule (1): Marks stated that this subrule was removed because the time frame in the rule had passed.

Subrule (2): Marks indicated that the word "each" was added to clarify the cycle.

Michigan Board of Massage Therapy Rules Committee Work Group Meeting Minutes June 2, 2020 Page 5 of 8

Subrule (3): Marks stated that the number "4" was changed to "5" for auditing purposes.

Subrule (4): Marks stated that this rule does not apply to individuals who have been issued a license in the new MiPLUS system.

Subrule (5): Marks stated that this is a new rule that allows a licensee to apply for a continuing education waiver, prior to the expiration date of their license. This would be reviewed by the Board.

Subrule (6): Marks stated that this is a new rule that states a licensee may be audited.

The Rules Committee agreed to the language as presented.

Stout asked Marks to provide an explanation of the process of a waiver request.

Marks stated that the request is submitted to the Department and then is placed as an agenda item for the Board to consider at a meeting. After the Board votes on the request, a decision letter is sent to the licensee.

R 338.741 Acceptable continuing education; requirements; limitations.

Subrule (1): Marks stated that the suggested rewrite was to include a limitation on the number of continuing education hours that could be earned in a 24-hour period.

Subrule (3): Marks stated this is a new subrule. It states that continuing education cannot be carried over from one cycle to the next.

Subrule (7): Marks stated that no substantive changes were made.

Subdivision (7)(f): Marks asked if the Board wanted to allow 10 hours for this activity.

Wiley stated that she could see how a licensee could easily do 10 hours of research but did not need to receive that much credit.

Savoyat suggested reducing it to 5 hours.

The Rules Committee agreed to reducing the activity credit to 5 hours.

Subdivision (7)(m): Marks asked if a cardiopulmonary resuscitation (CPR) course would be 4 hours.

Savoyat stated that they can be at least a half day.

Wiley asked if the activity should include a course in bloodborne pathogens. Marks asked who would offer such a course. Would that be an activity that is already covered under activity (a)?

Michigan Board of Massage Therapy Rules Committee Work Group Meeting Minutes June 2, 2020 Page 6 of 8

Gennety asked if Wiley wanted it added as an additional activity or as part of activity (m).

Wiley stated that it would be part of activity (m).

Marks asked if it is offered as a certification.

Gennety stated that she takes it annually along with the CPR course. A separate certificate is not issued for bloodborne pathogens.

Wiley stated that it should be separate from the CPR certification.

Stout stated that certification is not given but there is separate training for it. He takes it through the YMCA's insurance company.

Marks stated that if it were to be included, the rule would need to indicate who it could be taken through to be recognized as approved continuing education.

Finn stated that it is a course offered through American Heart and the Red Cross.

Part 5. Professional Ethics

Marks stated that this section had been renamed to reflect the content.

R 338.751 Professional Ethics.

Marks stated that this Rule had also been renamed.

Marks stated that there does not appear to be any one acceptable standard that massage therapists follow.

Wiley stated that there is not one national standard that massage therapists follow, but they are all very similar.

Marks read through the rule, pointing out changes.

Subrule (a): Wiley stated that this subrule addresses concerns about telehealth being included in the rules.

Subrule (d): Stout stated that termination of a session can be done if the massage therapist felt that the situation was not safe.

Subrule (e): Wiley stated that the word "current" should be removed to prevent unethical behavior even after the massage therapist/patient relationship has ended. Conversely, a timeframe should be included.

Marks asked if "current" should be removed.

Michigan Board of Massage Therapy Rules Committee Work Group Meeting Minutes June 2, 2020 Page 7 of 8

Wiley asked Marks what other health professional boards say in their rules.

Marks stated that most professions do not have an ethical code section. It would have to be allowed by statute in order to include it in the rules.

Gennety asked what timeframe would be long enough.

Marks stated that putting in a timeframe would be arbitrary.

Stout stated that the proposed language is all that could be used at this time.

Wiley stated that if an individual comes before the Board or the Disciplinary Subcommittee, the timeframe can be taken into consideration when imposing sanctions.

The Rules Committee agreed to the language as presented.

Andersen asked if there should be timeframes included for teachers as there is a set amount of time that a teacher is with a student.

Marks stated she would look into that.

Louise asked about information on SOAP notes in the rules.

Marks stated that was covered under MCL 333.16213 and retention of records. There is not statutory authority to include it in the rules.

Stout stated that the Massage Therapy Practice Act covers SOAP notes.

R 338.752 Client records.

Marks stated that this was rescinded as this information is included in MCL 333.16213.

Wiley asked Marks to summarize the language from the statute.

Marks summarized MCL 333.16213.

Wiley stated that, as an instructor of massage therapy, she often refers students to the statute.

Stout stated that when massage therapists are part of a practice, they sometimes feel as though they do not need to keep a record themselves.

Marks stated that the statute requires that the record be maintained by the massage therapist.

Michigan Board of Massage Therapy Rules Committee Work Group Meeting Minutes June 2, 2020 Page 8 of 8

Wiley stated that many national organizations have a code of ethics that refers to record retention.

Gennety stated that owners of salons/practices, sometimes will not share intake paperwork. However, the massage therapist can access the paperwork and fill it out for themselves.

Savoyat stated that it is important to know that the massage therapist should keep their own records.

Marks stated that the requirements in the statute must be followed.

Andersen stated that there are facilities that do not allow the massage therapists to have access to the records. The rule should not change.

Stout stated that rescinding the rule could cause record retention to go to the wayside. The statute is not as specific as the rule is.

Gennety would like to discuss record access at the next meeting.

ADJOURNMENT

Marks stated that another Rules Committee Work Group will be scheduled to continue to work on rules.

Date: June 8, 2020

Marks adjourned the meeting at 3:43 p.m.
